Cornerstone

Association of REALTORS®

We are excited to announce our first charity golf tournament as the recently amalgamated Cornerstone Association of REALTORS® (Cornerstone). Cornerstone is Ontario's second-largest real estate association, representing nearly 9,000 Realtors serving in the markets of Mississauga, Burlington, Hamilton, Waterloo Region, Niagara North, Haldimand County, Norfolk County and surrounding areas.

We invite you to sponsor Cornerstone's Spring Charity Golf Tournament, which will support Habitat for Humanity Waterloo Region (HFHWR). This event will take place on Thursday, September 12th at Rebel Creek Golf Club, with an online auction running for two weeks leading up to the tournament!

With numerous golf tournaments vying for your support, you might wonder what makes our event stand out. Here's why you should participate:

Our charitable partner, Habitat for Humanity Waterloo Region (HFHWR) unites communities to help families build strength, stability, and independence through affordable homeownership. HFHWR's affordable homeownership model bridges the gap for lower-income, working families, offering them the chance to purchase their own Habitat home. We are proud to share that HFHWR has just closed their build site at the Kehl Street location, a project that our tournament has supported for many years, from start to finish.

REALTORS® play a crucial role in building strong communities. They help families find their dream homes and assist businesses in locating the perfect premises. The role of a REALTOR® extends beyond the sale; they recommend contractors, home inspectors, movers, legal representatives, and more, ensuring a smooth transition for their clients. Connecting with our group of nearly 9,000 REALTORS® provides a direct link to our entire region and beyond, promoting your business or services to a vast network of community champions.

We will reach out soon to discuss the details further, or you can contact the committee via email at events@cornerstone.inc or by phone at 519-576-1400.

We look forward to your support and participation!

With regards,

Nathan Steffler
